

INDO THAI AGRO CO., LTD.

ABOUT US

INDO THAI AGRO CO. LTD. stands out as a top exporter of fresh Fruits, Vegetables, and Flowers originating from Thailand and distributed worldwide. With an extensive market presence spanning more than two decades, we've successfully earned the confidence and contentment of our global clientele.

The renowned appeal of Thai fruits and vegetables for their unique and delightful flavors has garnered recognition worldwide. Nonetheless, with hectic lifestyles and financial limitations, not everyone can afford the opportunity to experience Thailand firsthand. Thus, our primary aim is to cater to customers globally who seek to incorporate Thai fruits and vegetables into their everyday routines.

THE FARM

We prioritize excellence by cultivating superior fruit seedlings sourced from the finest seeds and employing top-notch agricultural practices. With the assistance of foreign consultants, we ensure quality throughout the entire farming process—from land preparation and nurturing saplings to planting, irrigation, and harvesting. This meticulous approach allows us to maintain consistent quality standards every step of the way.

THE PACKING HOUSE

The packing house is the core of our operations, where each fruit and vegetable undergoes thorough inspection and packaging. Our skilled team ensures that only the best produce is chosen, employing modern equipment and strict quality control measures. Every item is packed meticulously to maintain its freshness, guaranteeing prime quality upon reaching our customers. This dedication reflects our commitment to delivering superior produce while upholding the highest standards of quality.

OUR MARKETS

We are exporting our fruits to the following major markets, in addition to our seeking to deliver them new other markets around the world.

**LONDON, DUBAI, OMAN, BAHRAIN, KUWAIT, QATAR,
SAUDI ARAB, NEPAL AND INDIA**
